A Message From The Mayor...

Welcome to the latest edition of the Community Newsletter!

If you are like me, you probably think this winter will never end. Mother Nature has really handed us an abundance of cold, snow and ice, keeping us on our toes since December. Thankfully, I know spring is right around the corner and that is always a welcomed time.

Our Village Council members are busy with their perspective committees, lining up all the projects the new year will bring. They are also helping our two new council members settle into their new responsibilities. We have been busy setting up our summer **Main Street Music at the Bandstand** series, which will bring new and exciting changes to our Friday evenings in June and July. The schedule is on page 7, as well as our contribution form.

The picture above is from the front page of our new website. Village Council and I are very proud of the site and excited for the residents to utilize all the options it has to offer. We will be constantly updating and adding to the site to keep you coming back for more. One of my favorite aspects of the new sight is the ability to have an email or text message sent to you for items such as curb-side recycling dates, council meetings or when a new event gets posted on our Community Events Calendar. We are hoping that our residents take advantage of the electronic services the new website brings. You can even sign up to receive this newsletter directly in you email inbox, which will help us save on postage. Please take a moment if you haven't already and log on, create an account and sign up for electronic messaging for the services you care about most.

I hope you enjoy this issue of the Community Newsletter! Have a wonderful Spring.

DOUG NESTOR
COUNCIL PRESIDENT
330-658-2166
DNESTOR@DOYLESTOWN.COM

Doug Nestor: I consider myself fortunate to have been a resident of Doylestown and Chippewa Township for over 40 years. It has been a great place to live and raise three daughters. I am serving on Village Council in order to ensure other residents can continue to enjoy the same wonderful things the village has offered me.

I have served the Village of Doylestown on Council for the last 6 years. During that time I have been Chairman of Street Committee, Street Commissioner, Chairman of Economic Development, Chairman of the Shade Tree Committee, Board of Education Liaison, and been an active member of the Safety Committee. Over 25 years experience as a professional at Goodyear Tire & Rubber has given me the leadership and team building skills needed to be successful on these committees.

I have been very active in lives of the youth of our community as a coach, CYO athletic director, and Junior Achievement instructor. I am a member of Sts Peter & Paul church where I had served on Parish Council.

I am interested in your thoughts and suggestions on how we together can make Doylestown the best place for you and your family to live. Please feel free to call or email me!

I participated in coaching youth sports in our community for many years and I am currently involved

Spring Brush Pick Up Resumes

Brush pick up is held on the 2nd Monday of each month from now until October. Pick up dates are *April 14, May 12th, June 9th, July 14th, August 11th, September 8th, and October 13th.* Please note that weather may cause a delay on any of these regularly scheduled dates.

Please follow these rules:

Only put out enough material to be handled within 15 minutes. Each resident is allocated a maximum of 15 minutes worth of brush or leaves for disposal. Brush also needs to be stacked with branch ends all one direction. Cut ends need to be together and facing the street. This is a real time consuming task if the crew has to individually load the branches into the chipper.

~Message from the Street Department~

Due to the early snow fall this past leaf season, we will be scheduling a spring leaf pick up to finish collecting any leaves that we were unable to clear due to the weather. The exact date will be available in the near future. Please watch Channel 15, the marquee or check the website for the date. No mixture of leaves and brush will be removed. We do not collect both at the same time, because it requires different equipment. Piles must be to the curb by 8 am on pick up day. Thank you.

We are offering this service to **Village residents** on Saturday, **September 27th from 9 am to noon** in the back parking lot of Village Hall. This program is made possible thanks to the funds which we receive from the "**Recycling Makes Sense Grant**" through Stark-Tuscarawas-Wayne Joint Solid Waste Management District. You may also obtain a copy of the tax form at the village web site www.doylestown.com. Go to the Government Tab, then to Fiscal Officer/Income Tax. They are at the bottom of that page and are in printable PDF format.

The Income Tax Department also accepts all generic forms used by tax preparers. If you need a form mailed, please contact Ann Youngblood in the Income Tax Department at (330) 658-2181 ext 1102.

As always, we are available to help you with your Village income taxes only. Tax due date is April 15, 2014.

From the Zoning Department

As of January 1, 2014 The Wayne County Building Department will be handling the Village's Building Department. Wayne County will now process the following permits, as well as inspections for such permits: **BUILDING, HVAC, ELECTRICAL**. Effective this same date, the Wayne County Health Department will be issuing **PLUMBING** permits as well as said inspections for this permit.

The Village of Doylestown will still issue the following:

Zoning Permits, Right of Way Permits, Water/Sewer Tap in Permits, and Contractor Licensing.

The Wayne County Building Department will not issue any permits without the Village of Doylestown Requirements being met. You must provide your zoning permit from the Village of Doylestown to pull any permits from the County. They are located at 428 West Liberty Street, Wooster, Ohio 44691. Their telephone number is 330-287-5525. Plumbing permits are issued by the Wayne County Health Department located on the lower level 428 West Liberty Street, Wooster Ohio 44691. Their phone number is 330 264 2426.

Main Street Music At The Bandstand

Music, food and fun await those who attend our 2014 Main Street Music at the Bandstand concert series. This year we will be mixing it up with some classic rock, blues, country, 60's, "gulf and western", Irish; and will finish out the season with the one and only Elvis! A great new added feature to our concerts series will be a variety of food trucks that will be joining us this year throughout the summer. If you have never been to a concert, now's the time to join your neighbors for great food and a free family friendly concert at the square!

This year marks the 13th season of Main Street Music at the Bandstand. I would like to take this opportunity to personally thank all of our sponsors and contributors who have generously supported this program over the past 13 years. Without your support, we would not be able to make this summer spectacular possible. All contributions directly benefit Main Street Music at the Bandstand, which bring you the summer concert series. As in the past, there are several levels of contributions and sponsorship of specific performances available.

If you have any questions, please contact Chad Marti at 330-283-8332 or cmarti@doylestown.com.

New Doylestown Web Site Is More Than A Pretty New Face

If you haven't already heard, the Village of Doylestown has recently gone through a major overhaul of our website. The primary goals of upgrading were not to only change the look, but to have the ability to grow and interact with our residents. While the old site was up to date on its content, its functionality was outdated only because it was over 10 years old.

The new site is easy to navigate and is also informative. We wanted to address the most frequently asked questions as well as allowing our residents the opportunity to receive electronic notices on everything from newsletters, curbside recycling, trash delays, and council meetings to also allowing groups to post their own events on our Community Events Calendar.

The website has the ability to grow and incorporate all facets of technology that are popular today. So please take the time to log on and check it out.
